Printing Material

The American Type Founders Company is the leading originator and maker of type styles and the most extensive of the world's distributors of printing material and machinery of all kinds.

American Type Founders Co.

[illegible]

Printing Plates

GOOD Printing Plates are an absolute necessity in order to produce good printing. Good results cannot be secured from poor plates. The output of the Dickinson Electro Foundery is of known quality: every plate is perfect. Book, magazine and commercial work of quality. Half-tone work a specialty. In short everything in printing plates by modern known process, supplied correctly, quickly and at prices that are reasonable, by the
